Defendant. )

JAY D. HANSON deposes and states:

1) I am a member of the law firm of Gray, Cary, Ames & Frye, counsel for defendant CINEMATRONICS, INCORPORATED, in the above-referenced case.

2) I make this application in support of a motion to shorten time for hearing on defendant's motion to have an ex parte writ of attachment quashed.

3) On Wednesday, September 8, 1982, my clients were served with copies of orders of this Court, apparently entered September 3, 1982, permitting either a temporary protective order, an ex parte writ of attachment, or both, to issue against my client.

SEP 10 1982

1  
2  
3 4) My clients had no prior notice of the seeking  
4 or obtaining of these orders from the Court.

5 5) Though it is not perfectly clear from the  
6 papers served, it appears that plaintiff asserts, and the  
7 Court may have ordered, that all defendant's property is  
8 subject to an immediate writ of attachment, which would even  
9 bar defendant CINEMATRONICS, INCORPORATED, from meeting its  
10 normal payroll, which is due on Friday, September 10, 1982.

11 6) Based upon conversations with my client, I  
12 am informed and believe and thereon assert that if my client  
13 is blocked from making payroll on Friday, it will immediately  
14 lose key employees and therefore sustain irreparable harm.  
15 It is therefore absolutely essential that the propriety of  
16 this writ, issued ex parte, be determined by the Court before  
17 my client is forced to breach its payroll obligations.

18 10) I therefore respectfully request the Court  
19 grant an order shortening time for hearing on this application  
20 to be held not later than 4:00, September 9, 1982. There  
21 is nothing my client could have done to bring this application  
22 to Court any sooner as the client was only served on Wednesday,  
23 September 8.

24 I declare under penalty of perjury that the foregoing

10 This Court being fully advised of the foregoing  
11 application, and good cause appearing,

12 IT IS ORDERED that hearing on defendant, CINEMATRONICS,  
13 INCORPORATED, application to have an order for writ of attachment  
14 set aside, the writ quashed, and property released from  
15 attachment, be held at 4:00 p.m., on September 8, 1982.

16 In Department 10 of the above entitled Court.
